MEMORANDUM FOR: ALL STAFF AND DIVISION CHIEFS

SUBJECT: War Planning Council

REFERENCE: Secret DADPC memo for all Staff and Division Chiefs, dtd 25 Jan 1951, subject War Planning

1. The problem of developing overall support requirement plans is a matter of prime importance and immediate urgency.

2. The following are only some of these problems that must be resolved:

- a. Air support
- b. Naval support
- c. Ground support
- d. Stockpiling of critical and essential material at strategic locations throughout the world for current, projected, and wartime use.

Of those listed, only the air support plan is in process of being completed.

3. It is felt that the immediate solution of these residual problems could most expeditiously be effectuated on an overall and coordinated basis and with due regard to long range planning through the use of a planning council constituted for the purpose of identifying and isolating such problems and recommending to me action proposed to effect their expeditious solution.

4. A council consisting of either the chiefs of each staff and division or his war planner, will be formed under the chairmanship of the Chief of Staff I.

5. The first meeting of the council will be held at 1400 hours in Room 1035 on 6 February 1951. It is requested that the Staff and Division Chiefs personally attend this meeting.
